

The Introduction of Companies from Guangdong (Belgium)

Company: Foshan Nanhai HuiAn Metal Anticorrosive Materials Co., LTD 佛山市南海区辉安金属防腐材料有限公司

Area: Chemical Industry 化工

Introduction: Foshan Nanhai HuiAn Metal Anticorrosive Materials Co., LTD. (HuiAn Chemical for short) is located in the central city of Pearl River Delta where the manufacturing industry is highly developed. And has the title of China's aluminum capital - Foshan - Nanhai. Established in 1998, set chemical raw materials, aluminum alloy surface treatment additives, environmental protection equipment. And other chemical products research and development, production, sales and international trade as one, and has the national standard hazardous chemical storage qualification of chemical enterprises.

With the continuous development of the industry and customers' precise demand for chemical products in different fields, Foshan Nanhai District Yanxi Metal Auxiliary Materials Co., LTD has been established. Si, Foshan Jiyong Tengda Metal Auxiliary Materials Co., LTD. And Foshan Yinggu Xingyuan Technology Co., LTD.

Adhering to the craftsman spirit "pragmatic, passionate, professional, innovative" as the business purpose of Hui 'an Chemical Industry; Pragmatic work style, down-to-earth; professional Focus on attitude, always keep the passion; Be good at your job; Innovative working thinking, dare to break through the tradition, strive to explore, practice new ideas, product development new path.

Relying on scientific and technological data to strengthen management and adhere to the road of quality development, Hui 'an Chemical has been awarded more than ten awards such as "Top 10 Aluminum Paving in China". from ISO9001 certification, SGS certification, Pini certification to the "National high-tech enterprise", witness HuiAn Chemical industry performance excellence, through the classic brilliance.

Requirements: Promote the company's products.

Company: Foshan Bowei Metal Products Co., Ltd. 佛山市博蔚金属制品有限公司

Area: Metalwork 金属制品

Introduction: Foshan Bowei Metal Products Co., Ltd. is an enterprise mainly engaged in the production and sales of sheet metal, steel structural parts, racks, chassis, hardware parts, etc., which is located in Lishui Town, Nanhai District, Foshan City, and Zone B of Guangxi Industrial Park with convenient transportation and beautiful environment. The factory covers a total area of 18000 square meters, with a construction area of 30000 square meters. The company takes integrity, progress, innovation, and professionalism as its core, and practices

the spirit of changing the future of the enterprise. We always adhere to the principle of "customer first, quality first", specializing in the production and manufacturing of sheet metal parts, steel structural parts, stamping parts, rack and chassis accessories, animal husbandry equipment parts accessories, photovoltaic brackets, and other related products.

Requirements: Seeking supporting cooperation in Kart racing, Dune buggy, off-road steel pipe vehicle, motorcycle refitted parts, photovoltaic bracket, chassis, electric box, animal husbandry equipment, mobile housing and other fields.

Company: Foshan Ikeda air freshener CO.,LTD 佛山香道尔科技有限公司

Area: Atuo Perfume 汽车香水

Introduction: Foshan Ikeda air freshener Co., Ltd., formerly known as "Foshan Ikeda Auto Boutique Co., Ltd.", was established in 2002 is a professional manufacturer of auto perfume. Main products include auto perfume, auto perfume seat, auto perfume pendant, auto perfume accessories, auto perfume chips and other products. Our products are sold well in many countries and regions in Asia, Europe, North America, South America, and more than 30 provinces, cities and autonomous regions in China.

For 16 years, Ikeda has been producing first-class products with a wealth of products, excellent quality, reliable quality, high-quality service, and modern management concept. Our factory covers an area of over 20000 square meters and has over 200 employees. We have professional R&D team, production team, sales team, and after-sales service team. The company is located in Lianhe Industrial Zone, Luocun, Foshan City, Guangdong Province, with convenient transportation and close proximity to Foshan Airport.

Our products are made of essence and other materials imported from France, Japan and Germany. High quality products are not only exquisite and long-lasting, but also can purify the air, absorb second-hand smoke, kill bacteria and remove odor. It has the effect of relieving stress, refreshing, continuously dispersing fragrance, and creating fresh and pleasant fragrance. Widely used in cars, indoors, wardrobes, bathrooms, etc.

Requirements: We hope to establish long-term friendly business cooperation with local companies.

Company: Foshan Bonace Network Cable Co., Ltd. 佛山市博纳丝网络线材有限公司

Area: Photovoltaic network Cable 光伏板 网络线

Introduction: The full-process operation platform integrates the development, design, construction, intelligent operation and professional consulting services of photovoltaic and other new energy mode power stations, focusing on "industrial and commercial distributed photovoltaic", "household distributed photovoltaic", "self-invested photovoltaic power station", "photovoltaic energy storage system" and other business projects.

Requirements: Photovoltaic network Cable: CAT5 CAT6 CAT7

Company: Foshan Baohengda Smart Home Co.,Ltd 佛山市堡亨达智能家居有限公司

Area: Manufacture and sale of household goods 家居用品制造、销售

Introduction: Wholesale of household profiles; Customization of aluminum household products (such as wardrobes.cabinets, wine cabinets, bookcases, and other types of environmental-friendly glass householdcabinets, aluminum cabinets, and various types of flat glass doors and sliding doors .

Requirements: Customization of aluminum household products and smart home accessories.

Company: Guangdong YOUKAI Technical CO.,LTD 广东优凯科技有限公司

Area: household chemical products 日用化工产品

Introduction: Guangdong YOUKAI Technical CO.,LTD was established in 2016, and factory is located in Foshan, Guangdong Province, covering an area of about 40000 m².

Youkai is now the leading manufacturer of household chemical products. It has jointly established a R&D center with the School of Chemical Engineering of Sun Yat-Sen University to provide technical support, and has a complete QC system and a strong supply chain system. We obtained ISO 9001、ISO 22716、ISO14001、ISO45001 quality system certification, SMETA 6. 1 international social responsibility certification, and China water saving certification. And now it is a director of the China Cleaning Industry Association and China Household Chemicals Industry Association.

Achieved the Certification of High-tech Enterprise, Invisible Champion Cultivation Enterprise, Manufacturing High-quality Development Benchmarking Enterprise, Guangdong Province Specialized Refined & New Enterprise, National Quality & Integrity Benchmarking Enterprise, Light Industry Federation Science & Technology and other certifications.

Requirements: Explore overseas markets to understand market demand and the latest industry developments.

Company: Shida Battery Technology Co., Ltd 佛山市实达科技有限公司

Area: innovative battery solutions 电池解决方案

Introduction: Shida Battery Technology Co., Ltd specializes in designing, manufacturing and marketing of lithium polymer batteries. Originally founded in 1996, we focus on researching the most advanced battery technology, providing innovative battery solutions.

Requirements: Market research, product promotion, information exchange.

Company: FOSHAN NANHAI FUWOCHANG TRADING COMPANY 佛山市南海富沃昌贸易有限公司

Area:exporting building materials 建筑材料出口

Introduction: FOSHAN NANHAI FUWOCHANG TRADINGCOMPANY.Our company specializes in exporting building materials such as aluminum profiles,diapers,and steel structures.Our company mainly exports to markets such as Southeast Asia,Africa,and the Middle East.The annual turnover is 25 million US dollars.

Requirements: We are seeking new customers and new cooperation channels.

Company: Foshan Nanhai Qifeng Steel Pipe Co.佛山市南海岐丰钢管有限公司

Area:Aluminum alloy doors and windows 铝合金门窗

Introduction: Since 2009, we have been focusing on the research and development, production, and installation of doors, windows, and glass curtain walls. Having strong independent development and customized doors, windows, and curtain walls for customers

Requirements: Customers, building material purchasers, designers who need doors, windows, and curtain walls.

Company: Guangdong Landsharp Windows&Doors Technology CO.,Ltd 广东亮硕门窗科技有限公司

Area:Aluminum alloy doors and windows 铝合金门窗

Introduction: Since 2009, we have been focusing on the research and development, production, and installation of doors, windows, and glass curtain walls. Having strong independent development and customized doors, windows, and curtain walls for customers

Requirements: Customers, building material purchasers, designers who need doors, windows, and curtain walls.

Company: Foshan Fengpai All Aluminum Home Technology Co. , Ltd. 佛山市广涵铝业有限公司

Area: Aluminum Industry 铝业

Introduction: Company is located in Shishan Town, Nanhai District, Foshan City, Guangdong Province, the aluminum capital of China, focusing on the field of alum outdoor building, product design, and production, aluminum wholesale services.

Requirements:Looking for partners, agents, distributors.

Company: Foshan Guanghan Aluminum Co., Ltd. 佛山凤派全铝家居科技有限公司

Area: Aluminum Industry 铝业

Introduction: focus on aluminum industry indoor and outdoor aluminum alloy structure of the entity production and sales of enterprises.

Requirements:Seek partners, agents, distributors.

Company: Foshan Dirani Design Furniture CO., LTD 佛山市迪洛家具有限公司

Area:Furniture Manufacturers 家具生产商

Introduction: a collection of design, research and development, production, sales and integration of large-scale furniture manufacturers. Specializing in the production of star-rated hotel furniture, villa furniture, high-end club furniture, etc., there are two large-scale production factories, located in the world-renowned Chinese furniture base: Shunde Longjiang. Dilo furniture adhering to the "value for money to allow 100 million customers around the world to enjoy a five-star home" business philosophy, combined with Italian original design style, only to give you a unique and stylish brand image. Dilo furniture has three series of noble series, Italian classic series and modern series, with high-end elegant

product design and light luxury atmosphere of The Times. We are exported to more than 20 countries in Europe, Southeast Asia, the Middle East and so on.

Requirements: Looking for furniture builder, furniture designer, furniture distributor.

Company: Guangdong Yifang Pharmaceutical Co., ltd 广东一方制药有限公司

Area: Traditional Chinese Medicine Concentrated Granules 中药浓缩颗粒

Introduction: Guangdong Yifang Pharmaceutical Co., Ltd. belongs to The World Top 500 Sinopharm Group, founded in 1992 by Guangdong Institute of Traditional Chinese Medicine Engineering technology (formerly known as "Guangdong Institute of Traditional Chinese Medicine"), headquartered in Foshan, Guangdong province. It is one of the first batch of "TCM granule pilot production enterprises" and "TCM Decoction piece Dosage Form Reform production base" awarded by the State Food and Drug Administration. It is a large comprehensive pharmaceutical enterprise specializing in the development and production of traditional Chinese medicine granule. At present, there are 11 industrial bases with more than 1500 employees.

Requirements: Providing botanical extracts as raw materials to pharmaceutical or dietary supplement companies, fulfilling the local demand for traditional Chinese medicine.

Company: Guangdong Huate Gas CO.,LTD 广东华特气体股份有限公司

Area: Gas Equipment 气体设备

Introduction: Guangdong Huate Gas co., ltd was established in 1999, and was listed on the main board of A-shares SSE star market. Our factory is a national gas manufacturer committed to the localization of specialty gases and breaking the constraints of gas materials in high-end fields such as very large-scale integrated circuits and new display panels, supplemented by general industrial gases and related gas equipment and engineering business, to provide one-stop-integrated gas application solutions. The products exported to more than 50 countries & regions.

Requirements: Looking for an opportunity for cooperation.

Company: Guangdong Green Earth Chemical Co., Ltd 广东绿色大地化工有限公司

Area: Industrial Coatings 工业涂料

Introduction: Focusing on the coating needs of engineering machinery, anti-corrosion projects, home appliances and other industries, as well as the design, construction, and technical management of integrated coating projects, we have been awarded honorary titles by the government such as Guangdong High tech Enterprise, Guangdong Specialized, Refined,

and New Small and Medium sized Enterprise, Guangdong Innovative Small and Medium sized Enterprise, and Guangdong Contract abiding and Credit Valuing Enterprise.

Requirements:Examining investments, finding partners, and finding trading partners.

Company: NEXTORCH INDUSTRIES CO., LTD. 广东纳丽德移动照明有限责任公司

Area: Portable Lighting Equipment & Device 移动照明

Introduction: NEXTORCH is one of the world's leading manufacturers of illumination tools and specialized equipment for military, law enforcement, first responder, tactical, and outdoor applications.

Our approach to product development begins with an in-depth understanding of our customers' needs and preferences. Based on that knowledge, we focus our state-of-the-art research and development resources to create the finest high-performance equipment possible. Through our relentless commitment to product innovation, we have earned more than 150 patents and numerous industry awards. We have also earned the loyalty of professional end users in more than 100 countries.

Requirements: Cooperate with overseas companies or organizations that have demand for mobile lighting equipment & devices.

Company: Yangjiang Hailian Hardware and Plastic Products Co., Ltd. 阳江市海联五金塑料制品有限公司

Area: Kitchen hardware 厨房五金

Introduction: Yangjiang Hailian Hardware and Plastic Products Co., Ltd. is mainly engaged in the R&D center of various knives and plastic products. With over 500 advanced production equipment and workshops including stamping, heat treatment, welding, polishing, water grinding, injection molding, assembly, packaging, mechanical maintenance, and mold manufacturing, it is a large enterprise that produces hardware and plastic products. It has the ability to provide customers with services from product research and development design, production and manufacturing, to customs declaration and export. The products are exported to countries such as the United States, Canada, Germany, Australia, and the United Kingdom, with a revenue of 570 million yuan in 2021. The company has been awarded the honorary titles of Excellent Enterprise in Yangjiang City, Contract abiding and Credible Enterprise, and Home of Excellent Employees for many years.

Requirements:Foreign Trade

Company: Yangjiang Halbert Industrial Company Limited 阳江天戟实业有限公司

Area:Kitchen hardware 厨房五金

Introduction:Established in 2011 ,Yangjiang Halbert Industrial Company Limited is a

professional manufacturer and trader specializing in the research, development, design, production, sales and service of Kitchen cutlery. We are located in the Jiangcheng District of Yangjiang City, which is known as “hometown of knives & scissors”. Covering an area of 20000 square meters, we now have over 400 employees. We mainly produce kitchen cutlery such as hollow handle knives, plastic handle knives, wooden handle knives and other high-class products.

Halbert is a young, energetic and creative team and also an experienced professional R & D team. Most Senior management personnel are the industry elite of the hardware and cutlery industry with more than 30 years. We continue to carry out technical transformation, the introduction of advanced automatic production equipment. So intelligent equipment in the process coverage of up to 70%, which can enhance our production capacity. Our factory can import and export directly. We have obtained factory audit such as Costco, BSCI, Walmart and etc. Besides we have obtained more than 100 “Patents for utility model & appearance design”. Meanwhile we are also rated as a high-tech enterprise. We hold certification such as ISO14001-2015, ISO9001-2015 and Global Recycled Standard (GRS).

In the future, we are determined to become a dream, capable, responsible, respected enterprise, to promote the “Halbert” to enjoy a high reputation in the world. Welcome to visit our factory and we believe that we can be your best co-partner in the future.

Requirements: Looking for an opportunity for cooperation.

Company: Yangjiang Junhui Industry and Trade Co., Ltd 阳江市骏汇工贸有限公司

Area: Production of wires and cables 生产电线电缆

Introduction: Yangjiang Junhui Industry and Trade Co., Ltd. is located in Yinling Science and Technology Industrial Park, Jiangcheng, Yangjiang City. It is a new modern production enterprise integrating scientific research, production, sales and service. The company has advanced equipment, strong technical force, strong production capacity, and is an enterprise manufacturing high-quality wires and cables.

The company has introduced advanced wire and cable manufacturing technology, production equipment and testing equipment, imported wire drawing equipment with original packaging, imported full-automatic shaking table packaging equipment, advanced granulation production

equipment, automated granulation pipeline transportation system, etc., and also introduced the industry's advanced cross-linked wire and cable production lines, medium and low voltage wire and cable production lines, etc; At the same time, fully automated production lines are used. The main products include 35KV and below power cables, rubber sheathed cables, control cables, computer cables, steel cored aluminum stranded wires, overhead insulated cables, civil wires, prefabricated branch cables, Low smoke zero halogen environmental protection cables, special cables and other varieties and specifications. All products are produced in strict accordance with national standards (GB/JB) and International Electrotechnical Commission standards (IEC). Since its establishment, the enterprise has always adhered to the principle that quality is the foundation of its survival.

Requirements: Looking for an opportunity for cooperation.

Company: Guangdong Moyang Flower Grain and Oil Co., Ltd 广东漠阳花粮油有限公司

Area: Grain processing and food production 粮食加工食品生产

Introduction: Guangdong Moyang Flower Grain and Oil Co., Ltd. is engaged in the production, processing, and sales of edible vegetable oil. Its subsidiaries include brands such as "Moyang Flower", "Fuhong", "Yueguan", and "Chu Zhi Yuan". Our company is a national high-tech enterprise, a key agricultural leading enterprise in Guangdong Province, a key contact enterprise of provincial food emergency security, and a leading unit of Yangjiang Peanut Provincial Modern Agricultural Industrial Park. The company prioritizes the health of consumers and regards quality and safety as the lifeline of the enterprise. The company attaches great importance to product quality management and has passed ISO9001 quality management system, ISO14001 environmental management system, ISO45001 occupational health management system, and GB/T33300 food industry enterprise integrity management system certification.

Requirements: Looking for an opportunity for cooperation.

Company: STEED TECHNOLOGY (YANG CHUN) LIMITED 广东铠硕达科技有限公司

Area: IOT intelligent terminals. 物联网智能终端

Introduction: The company is located in Yangchun High tech Industrial Development Zone, Yangjiang, Guangdong Province, with a total area of approximately 5000m².

It is a full ecosystem closed-loop enterprise based on the application and development of IOT technology, integrating the production, research and development, supply chain, sales, integration, and data operation of intelligent terminal products and systems.

The main products include: smart home (including intelligent central control and water immersion sensors, door magnetic sensors, smoke alarms, Bluetooth speakers and other

peripheral products),park intelligent equipment management system products,IOT ecological environment monitoring system products,etc.

More than 60% of the company's employees are RD engineers,most of whom have graduated from key domestic universities such as 985 and 211,and have many years of work experience in leading IOT enterprises.

The company has achieved an average annual revenue of over 100 million yuan in the past three years and will continue to steadily grow in the future.

Requirements:Expand the market, seek business opportunities, and explore the possibility of product sales landing

Company: Yangchun Shengze Machinery & Metal Co. Ltd.阳春市晟泽机械金属有限公司

Area:CNC machine tools and accessories.数控机床及铸件

Introduction:Yangchun Shengze Machinery & Metal Co., Ltd., founded in 2017, is located in Yangchun Industrial Transfer Industrial Park. It covers an area of about 150 mu, has 350 employees, and our monthly output value of castings reaches 2700 tons.

Requirements:CNC machine design.casting production technology.CNC machine and casting sales.

Company: Yang Jiang ShiBaZi Kitchenware Manufacturing Co.Ltd.阳江十八子厨业有限公司

Area:CNC machine tools and accessories.数控机床及铸件

Introduction:Yangchun Shengze Machinery & Metal Co., Ltd., founded in 2017, is located in Yangchun Industrial Transfer Industrial Park. It covers an area of about 150 mu, has 350 employees, and our monthly output value of castings reaches 2700 tons.

Requirements:CNC machine design.casting production technology.CNC machine and casting sales.

Company: Zhuhai Runxingtai Electrical Equipment CO.,LTD 珠海市润星泰电器有限公司

Area:Aluminum alloy precision die-casting 铝合金精密压铸

Introduction:The company is a private enterprise established in June 2002, located in Sanxi Science and Technology Innovation Town, Xiangzhou District, Guangdong-Hong Kong-Macao Greater Bay Area, the core city on the west bank of the Pearl River. The company is a high-tech enterprise committed to the research of precision forming process technology and product manufacturing of high-performance semi-solid die casting structural parts of

aluminum alloy. Its products are widely used in high-end intelligent equipment manufacturing fields such as new generation communication, new energy vehicles, photovoltaic energy storage, industrial robots, rail transit, aerospace, etc. The overall process technology level of its semi-solid metal rheological forming core technology has reached the international leading level.

Requirements:Economic and trade exchange

Company: Wan medicine service according to holding (Sanqing Qin again with Baodu Hezuo area heavy division 万青医药投资控股（广东横琴粤澳深度合作区）集团有限公司

Area:Medical equipment investment business 医药医疗设备投资业务

Introduction: a pharmaceutical wholesale and retail characteristics of the pharmaceutical business compahy currently has more than 20 stores the company hsa a large logistics center,the construction of network marketing,expand sales,in the market to establish their own brand.

Requirements:seek cooperation in importing medicines and medical equipment.

Company: ZHUHAI NIWEI INTERNATIONAL TRADE CO.,LTD.珠海尼维国际贸易有限公司

Area:Liquor business 医药医疗设备投资业务

Introduction: Zhuhai Niwei International Trading Co., Ltd. is a professional importer of fine wine brands. Focusing on the import, agent and sales of fine wine and brandy from France, Italy and other countries, serving well-known wineries at all levels, and always adhering to the import principle of "original bottle, original packaging, original label". Since its inception, in line with the integrity, dedication, pragmatic, innovative corporate culture, for customers to create craft wine and unique wine culture atmosphere, service first, quality first, brand business philosophy, and actively spread wine knowledge.

Requirements:Economic and trade exchange

Company: Aiwohua Infant and Child Products (Zhuhai) Co., Ltd 艾沃华婴童用品（珠海）有限公司

Area:Child Products 婴童用品

Introduction: JV of Germany and China, within top 3 in China and top 10 in Europe (revenue)

Requirements:Economic and trade exchange

Company: GUANGDONG GUANHAO HIGH-TECH CO.,LTD.广东冠豪高新技术股份有限公司

Area:Paper Products 纸业

Introduction: Guangdong Guanhao High-tech Co., LTD. (Securities code: 600433, securities abbreviation: Guanhao High-tech) is a state-level key high-tech enterprise held by China Paper Investment Co., LTD., a wholly-owned subsidiary of central enterprise China Chengtong Holding Group Co., LTD. Its subsidiaries include Zhanjiang Guanhao paper Co., LTD., Zhejiang Guanhao Functional Materials CO.,LTD, Zhuhai Hongta RenHeng Packing Co., LTD., Zhuhai Jinji Chemical Co., Ltd, Huaxin (Foshan) Colour Printing Co.,LTD. Our products include carbonless paper,thermal paper, self-adhesive paper, high-grade coated white card paper, folding packaging color boxes, chemical raw materials for paper making and precision coating preparation, etc. We are an integrated packaging service provider focusing on providing one-stop sustainable packaging solutions for the packaging industry. The enterprise has won the first prize of National Science and Technology Progress, National Green Factory, paper standardization enterprise and many other national honors.)

Requirements:Economic and trade exchange

Company: SISLAN (NANYANG) PHARMACEUTICAL CO., LTD.西施兰（南阳）药业股份有限公司

Area:pharmaceutical products 医药产品

Introduction: Sislan is a first-ever Hong Kong invested enterprise based in Henan Province, China,founded in 1985.We are an accomplished enterprise with an abundance of experience in pharmaceutical manufacturing and the quality control. Sislan has dedicated nearly 40 years to pursue excellence in pharmaceutical products alongside cosmetic, health food and disinfectant products. we strive to develop and make available of wide range of products including pharmaceutical and cosmetic products and health food for the wider public across the globe

Requirements:Economic and trade exchange

Company: Jingmu (Zhuhai) Co.,Ltd.珠海市精模有限公司

Area:Injection mold 注塑模具

Introduction: Jingmu (Zhuhai) Co.,Ltd. was established in 1992, focus on the injection mold industry for more than 30 years. The company is located in Zhuhai, with over 10000 m² 'plant and over 200 employees. The company has a mold manufacturing workshop, injection molding workshop, transfer printing workshop, and assembly workshop.

The company's main business is plastic mold manufacturing and plastic product production, supplemented by supporting services such as screen printing and assembly. We have a first-class R&D and design team, and carry out our work through project management. Covering the entire process of product design, mold flow analysis, mold design, product

inspection, and product production, The industries include: automotive parts, electrical appliances, household appliances, communication equipment, medical equipment, garden tools, etc.

Requirements: Looking for partners and cooperation opportunities in the direction of injection mold and energy storage power supply. Including mold design, manufacture and repair, as well as R&D, warehousing and after-sales of energy storage power storage station in Europe.

Company: YTJY HealthTech Co Ltd 广州伊辰云健康科技有限公司

Area: Medical Device. 医疗器械

Introduction: Driven by a passion to help patients, YCYMedtech is dedicated to addressing unmet healthcare needs to improve patient outcomes and enhance lives. We are developing and commercializing innovative medical devices addressing Healthcare Associated Infections (HAI). Our products can be applied in catheter related blood stream infection (CRBSI) prevention and control, especially for patients who take chemo-therapy by using PICC catheters. Utilizing our proprietary technologies, we believe that infections and associated issues can be effectively prevented and controlled through simple procedures.

Our R&D Pipeline focus on cancer cell therapy and immune-therapy pharmaceuticals and devices. By nova-tech applications, the efficacy will sharply increase and the side effects (esp. CRS) dramatically decrease.

Requirements: R&D partners, market oriental
