

INVITATION

Dear Sir/Madam,

The Moldova-China Chamber of Commerce and Industry is honored to invite you to the **ECONOMIC FORUM "The Role of Foreign Investments in Moldova in the Reconstruction Process of Ukraine"**. The forum will take place on June 20-21, 2024, in the Republic of Moldova. The event will feature a dialogue between the business communities of (country) and the Republic of Moldova to identify key investment sectors within our country and the prospects for capital development.

Given that the Republic of Moldova shares a border with, the primary opportunity lies in investing in the reconstruction of Ukraine through the Republic of Moldova, with mutual benefits. Currently, investments in the local business environment represent a profitable perspective, considering the existing beneficial economic relations and also business opportunities facilitated by a series of reforms and initiatives for an encouraging climate.

The event will take place at the Radisson Blu Conference Hall located at 77 Mitropolit Varlaam Street in Chișinău.

Among the objectives of the business conference, we include:

- Presenting investment opportunities in the Republic of Moldova and sharing success stories of investors present in the country.
- Enhancing and expanding cooperation between the business communities of (country) and the Republic of Moldova.
- Establishing Trade Partnerships and participating in the reconstruction of the Ukrainian commercial sector.

We are confident that your presence and interest can contribute to leveraging our joint efforts to enhance bilateral trade relations and create a conducive entrepreneurial environment for businessmen present in the Republic of Moldova.

With kind regards,

Boris FOCA,

President of the Moldova-China Chamber of Commerce and Industry
