

Session 4: Subsidies to support SMEs, technology-related investment solutions and customs regulations

In the fourth session of our series of webinars “Navigating the Chinese Market: A business roadmap for Belgian companies”, we will discuss some investment vehicles for Belgian companies wanting to invest on the Chinese market. Discover which financial support is available for your company with the latest information on subsidies from FIT. Our webinar will finish with the latest updates about customs regulations on the Chinese market.

Agenda:

10:00-10:05: Opening remarks by Mr. Bernard Dewit, Chairman of the BCECC

10:05-10:25: “Capricorn Fusion Fund, an investment vehicle for Belgian Companies investing in China and Chinese Companies investing in Belgium” by Mr Steven Levecke, Partner of Capricorn Partners

10:25-10:45: “Subsidies for international business” by Ms. Caroline Steensels, Team Lead Financial Support of Flanders Investment & Trade (FIT)

10:45-11:05: “Customs regulations for the Chinese market” by Mr. Emmanuel Geronnez, Belgian Customs Attaché in China

11:05-11:20: Q&A session

11:20-11:25: Closing remarks by Mr. Bernard Dewit, Chairman of the BCECC
