### *Ambition*

Experienced Field Application Engineer and Certified Project Manager looking for a new professional challenge. Active promotor of teamwork and best performing in cross-departmental environments. Penta lingual proficiency in combination with personal soft skills makes me a good candidate for global Technical Sales/Project Management and Marketing roles.

### *Professional Experience*

**Apr 2013 - Jul 2015**      **Field Application Engineer for channel MB/VGA**  
*MSI-Micro-Star International CO., Ltd.* <https://www.msi.com/>

Technical customer interface with end-to-end responsibility for customer reported issues on MSI's Motherboards (Intel/AMD) and Graphic Cards (NVidia/AMD). Close follow-up on the problem and making sure the solution is carried over across BIOS, HW and SW departments. Single point of contact for South-East Asia and Middle-East/Africa regions.

**Mar 2012 - Apr 2013**      **Project Manager for channel MB**  
*MSI-Micro-Star International CO., Ltd.* <https://www.msi.com/>

In charge of multiple Motherboard projects based on Intel's SharkBay Centrino 8 series and AMD's FM2 Trinity & Richland platforms. Close involvement with Sales department to understand and meet customer requirements and specifications. Executing the project planning across the different technical departments while having the end responsibility for keeping the scope, schedule and cost under control.

**Jul 2010 - Feb 2012**      **Project Manager Power Supply**  
*AcBel Polytech Inc.* <http://www.acbel.com.tw/eng/>

Worked in the ODM team. In charge of projects for HP products. Collecting latest market information and maintain good relationships with customers. Follow up RFI/RFQ status and control ongoing project status and cost. Make sure the project can go in to production on time.

**Sep-Oct 2009**      **Internship - Translator**  
*Central News Agency (CNA)* <http://www.cna.com.tw/>

Translation of international news from English to Chinese and local Taiwanese news to English or Spanish.

**Jul-Aug 2009**      **Internship - Marketing assistant**  
*Safilo Group, Shanghai* <http://safilo.com/en>

As Marketing Assistant, helped to collect marketing information and to come up with new brand ideas. My promotional slogan got selected by the company for its Direct Marketing campaign and retail stores in China.

### *Academic Background and Qualifications*

**2015**      **TOEIC 860 (860/990)**  
**2014**      **PMI Project Management Professional (License 1750624)**  
**2010**      **Bachelor of Arts in Spanish and French (Tamkang University)**

### *Languages*

**Chinese**      Native proficiency  
**English**      Full professional proficiency  
**Spanish**      Professional working proficiency  
**Dutch**      Professional working proficiency  
**French**      Limited working proficiency
