SUMMARY

As a student in Business and Information Systems Engineering, I'm fascinated by learning about new emerging technologies and matching them with the business aspect. As I will graduate in 2021 I'm currently on the lookout for a job that can trigger this fascination.

EDUCATION

Business and Information Systems Engineering | Hasselt University

2016 – 2021

- Achieved bachelor degree, 2019
- Attended summer school in Jordan, summer 2018
- Exchange in Macau, China, first semester 2019-2020

Mandarin and Chinese culture | Leshan Normal University 乐山师范学院

2015 – 2016

Exchange student in China following classes in Mandarin, Chinese culture and Chinese History

Latin - Maths | Kindsheid Jesu Hasselt – High school

2009 – 2015

EXPERIENCE

Vice-president | Junior Consulting

2019 - 2020

Junior consulting is a student organization that gives students the opportunity to participate in real-life projects. As vice-president, I was responsible for setting the strategy as well as supporting sales, partnerships, events and HR.

Student job | Move Intermodal

2018 – 2019

- Testing new software
- Creating SQL reports and communicating the results
- Creating and implementing procedures for a new software module
- Performing administrative tasks

Sales & Partnerships | Junior Consulting

2018 – 2019

As sales and partnerships manager I was responsible for finding new business opportunities and maintaining the relations with our partners.

Project consultant | Junior Consulting

2017 – 2018

- Benchmarking project to find best practices at universities in Belgium regarding communication
- Thorough analysis of the German employment agency market
